ABOUT THE COMPANY

USBC Interiors - Urban Science Building Contracting is an ISO certified turnkey interior fitout design & contracting company operating in Dubai. USBC interiors is managed by a team of seven nationalities which are highly qualified with 18 years of experience in their respective fields.

The leadership team at Urban Science have been involved in several 'Bespoke' luxury fit out as well as landmark MEP projects in Dubai.

Through the involvement of creative architects, experienced joinery team, state of art carpentry facility in Dubai and in-house MEP engineers, USBC is well placed to become one of the leading interior fit-out companies in Dubai.

Our Spaces Breathe Fresh

VISION

Our vision is to achieve sustainable growth by delivering high-quality projects using innovative and cutting-edge technology. We will work with all stakeholders to ensure that they achieve our vision too through the development of unbreakable and successful partnerships.

MISSION

Our mission is to provide a comprehensive range of construction services of the highest quality that deliver best value to our customers and support their core operations and ensure our joint success.
